DETAILED ACTION

1. All outstanding rejections except for those described below are overcome by applicants' amendment filed 11/20/03.

The new grounds of rejection as set forth below are necessitated by applicants' amendment and thus, the following action is final.

Claim Rejections - 35 USC § 112

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 1, 5, 9-10, and 13-14 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 1 and claim 9 each recite, in lines 10-12 after formula (V), "each of R⁴ and R⁵ independently is a hydrogen atom, an alkyl group, a cycloalkyl group, an aralkyl group, or an aryl group; otherwise a set of R⁴ and R⁵, a set of R³ and R⁴ or a set of R³ and R⁵ are combined to form a ring;". The scope of the claims is confusing because there is no disclosure in claim 1 or claim 9 of dye comprising R⁴ and R⁵ substituents.

Previously, dye (VI) contained R⁴ and R⁵ substituents. However, applicants' amendment filed 11/20/03 deleted dye (VI) from each of claims 1 and claim 9. Given this deletion and given that dye (VI) is the only dye that contained R⁴ and R⁵ substituents, it is advised that the above phrase be deleted from each of claim 1 and claim 9.

4. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
